International Day for People with a Disability

International Day of People with Disability (IDPwD) is a United Nations sanctioned day that aims to promote an understanding of people with disability and encourage support of their dignity, rights and well-being.

This years theme is about 'Achieving 17 Goals for the Future We Want'. This unique feature will promote the day, educate the community, and celebrate the suppliers and supporters who assist with these needs everyday.

With relevant and quality editorial coverage, a targeted and engaged audience, and a readership of 84,000, our IDPWD feature is a valuable tool for business who work in this sector of the community.
